- Mixed  Club Crew  Women Only  Masters  Men Only  Youth (14 – 17 yrs)

**Friday Night Challenge Cup Races**

"Challenge Cup Races" allow teams from similar backgrounds or industry to compete against each other for the best time and bragging rights. The team with the fastest time in each challenge category will receive an award during the closing ceremonies.

Check the categories below. Select the one that best fits your team. The Festival organizer reserves the right to assign teams to a different challenge class if required.

Teams may only participate in **one** Challenge category; 70% of their paddlers (14 out of 20) must meet that category criteria to participate. Each race is approximately 250 m, designed to get everyone into competitive spirit and have some fun!

**TEAM DESCRIPTION**

Provide a team description of 50 words or less to be used in the Festival program and by the announcer at the Festival. Include a separate sheet if you require more space.

**SPRINT RACES**

The annual Sprint Races are held at Rafter's Landing in July. This fun-filled 250 m race allows individuals in the trainees in our Steering program to obtain required race experience as part of their certification. These races are informal, may consist of combined teams and everyone competes for bragging rights.

Yes! Sign us up to participate in the Sprint races – keep us informed of the date!
